CARL MC EWEN

PROSPECTIVE CANDIDATE

BELLE GARDEN / GLAMORGAN

LEADERSHIP | LOYALTY | HEART

Carl Mc Ewen is a proud son of Glamorgan with over 40 years of dedicated service as a professional tailor, chef, and community leader. He has served actively within his church, village council, and various community organizations.

His decades of service have given him a deep understanding of the real needs and challenges facing his community. He has witnessed the absence of key amenities and the decline of essential recreational spaces such as the Richmond and Pembroke Playing Fields, which now suffer from severe neglect, inadequate maintenance, and a lack of lighting.

Driven by passion, integrity, and a commitment to people, Carl remains dedicated to serving Glamorgan—and, by extension, Belle Garden and Tobago—with honor and genuine care.

*Serving Belle Garden
& Glamorgan With Heart*

PNM ACHIEVEMENTS IN THE DISTRICT

Kendal

- The Kendal Farm School, empowering our young farmers
- The Aquatic Centre, nurturing the next generation of swimmers and athletes

Belle Garden

- The Fishing Facility, supporting livelihoods
- The Multi-Purpose Facility and Health Centre, bringing services to the community
- Upgraded Recreation Grounds, giving our youth a safe space to dream and grow

Glamorgan

- The Multi-Purpose Facility, a hub for activity and culture
- The WASA Water Treatment Plant, improving water access and quality

Pembroke

- The Community Centre and Youth Development Centre, building skills and connection
- The Heritage Park, preserving our culture
- The Pembroke Health Centre, improving health care for our people.

Goldsborough

- The Agricultural Unit, supporting farmers
- Processing Plant

PRIORITY & PLANS

- Lighting and upgrading the Richmond Recreation Ground, including modern toilet facilities.
- Belle Garden and Todd Street will also receive proper lighting and infrastructure upgrades.
- Fisherfolk across the district will receive stronger institutional support and fair market access.
- Farmers and agro-processors will get training, equipment, and incentives to expand production.
- Push for affordable housing and land ownership opportunities for our people.
- Drive private-sector development, creating local jobs and small-business growth.
- Restructure and rehabilitate our roads and streets, because our people deserve comfort, safety, and pride in their communities.
