KWESI DES VIGNES

PROSPECTIVE CANDIDATE
MASON HALL NORTH / MORIAH

LEADERSHIP | LOYALTY | HEART

Born in Mason Hall and raised in Moriah, Kwesi Des Vignes is a proud Tobagonian leader and accomplished professional in tourism development, education, and public administration. He holds an MBA from the University of Bedfordshire, a Postgraduate Diploma in Tourism Development & Management, and a BSc in International Tourism and Sport Management from UWI.

He served as Secretary of Infrastructure, Quarries & the Environment and Leader of Assembly Business from 2017–2021. His major achievements include securing Northeast Tobago's designation as the largest UNESCO Man and the Biosphere Reserve in the English-speaking Caribbean, and establishing Tobago's first Resource Recycling initiative.

His tourism career spans event management, project implementation, and academia, including work on major national festivals and the Tourism Development Project in St. Vincent and the Grenadines. He has over a decade of teaching experience at the secondary and tertiary levels.

*Proven Leadership.
Progressive Vision.*

Kwesi is also deeply committed to volunteerism, having served as Local President of both JCI Tobago and the Rotaract Club of Tobago, and as the 52nd President of JCI West Indies. A skilled public speaker and debate competitor, he has trained youth across the Caribbean.

He remains a highly motivated leader dedicated to creating positive change in his community, island, and region.
