MAXSLON ROBERTS

PROSPECTIVE CANDIDATE
PARLATUVIER / L'ANSE FOURMI
/ SPEYSIDE

LEADERSHIP | LOYALTY | HEART

Maxslon Natoy Roberts is an agricultural professional, educator, and community advocate from Louis D'Or, Tobago. He serves as Instructor I at UTT Tobago and has held national roles including Project Lead Officer at the Ministry of Sport and Community Development, Project Manager for the Tobago Reforestation Programme, and member of Cabinet-appointed committees on Food Security and the Green Fund.

He holds an Executive MBA, an MSc in Agro-Food Safety and Quality Assurance, and a BSc in Crop Science (Cum Laude). He currently holds the post of Treasurer of the PNM Tobago Council and is a community leader who continues to mentor youth and support agricultural development across Tobago.

His personal journey of overcoming challenges and rising through education drives his commitment to service, development, and inspiring young people across Tobago.

*Agriculture. Education.
Community Renewal.*

PNM ACHIEVEMENTS WITHIN THE DISTRICT

PNM Achievements in Speyside

- Constructed a new multipurpose community facility
- Expanded and upgraded the Speyside playing field
- Completed and opened the Speyside High School, supporting youth education

PNM Achievements in L'Anse Fourmi

- Established a Y-Zone youth development hub
- Refurbished and upgraded the Community Centre

PNM Achievements in Parlatuvier

- Constructed a new multipurpose facility to support community activities

PRIORITY ISSUES AND PLANS

COMMUNITY DEVELOPMENT: Strengthen community infrastructure through agricultural hubs, village enhancement projects, farmer support centres, and partnerships with local organizations.

AGRICULTURAL TRANSFORMATION: Advocate for modern farming systems, improved land access, support for young farmers, and expansion of sustainable agriculture technologies.

YOUTH EMPOWERMENT: Provide skills training, mentorship, and employment opportunities for youths in agriculture and environmental management.
