SHONAE JOHN

PROSPECTIVE CANDIDATE
ROXBOROUGH / ARGYLE

LEADERSHIP | LOYALTY | HEART

Raised in both Delaford and Roxborough, Shonae John is a dynamic, service-driven professional and community leader with a strong passion for youth empowerment and community upliftment. Within the SDA community, she has served as Social and Cultural Leader for her district and currently leads as Head of Sabbath School.

A UWI graduate with a degree in Biomedical Technology, Shonae has hands-on experience in medical and laboratory environments. As a dedicated tutor, she helps students across Tobago build academic confidence and excel.

Her entrepreneurial spirit shines through the multiple businesses she owns and manages, all of which allow her to continuously support youth and community initiatives.

PUT

FIRST
AGAIN

*Young Leadership. Strong Vision.
Community First.*

Politically, she has served as Education Officer for the Tobago East Youth League and Youth Officer for the Roxborough party group. In 2025, she completed the prestigious CIWiL training program for electoral candidates.

At just twenty-six, Shonae blends technical competence with people-centered leadership to make a meaningful impact within the communities of Roxborough/Argyle.

PNM ACHIEVEMENTS WITHIN THE DISTRICT

- Road resurfacing programme, including full rehabilitation of the Roxborough/Bloody Bay Road
- Official opening of the Argyle Micro Enterprise Centre to support local entrepreneurs
- Roxborough Hospital was commissioned
- Roxborough Police Station was commissioned
- Roxborough Fire Station was commissioned
- Reduced emergency response times for Windward Tobago

- Roxborough Administrative Complex was commissioned

PRIORITY ISSUES AND PLANS

Priorities

- Youth empowerment and leadership development
- Education, digital access, and innovation
- Tourism expansion and job creation in Tobago East
- Stronger community infrastructure
- Organised vending, entrepreneurship, and small business growth
- Safe and accessible recreational spaces

Plans

Roxborough Community Resource & Innovation Centre

- Establish a modern hub for education, technology, culture, and community development.
- Community Benefits:
- Homework and study support for students

- Digital literacy and computer access
- After-school programmes and tutoring
- Business incubation and entrepreneurship support
- Safe meeting spaces for NGOs, youth groups, and community organisations

Roxborough / Argyle Tourist Enhancement Project

- Upgrade Argyle Waterfall and King's Bay Waterfall into premium eco-tourism assets.
- Community Benefits:
- Job creation for tour guides, vendors, performers, and transport providers
- Increased income opportunities for farmers, artisans, and small businesses
- Improved safety, access, and visitor experience
- Sustainable tourism growth in Tobago East

Youth Empowerment & Mentorship Network (YEMN)

- Create structured pathways for youth success in business, leadership, and personal development.
- Community Benefits:
- Mentorship and career guidance
- Business start-up and financial literacy training
- Leadership bootcamps and confidence-building programmes
- Stronger pipeline of future community leaders and entrepreneur
